**MEMO ENDORSED**

Re: United States v. Yusef Green  
07 Cr 1041 (LTS)

Dear Judge Swain:

This letter is to request *nunc pro tunc* a two-business day extension from March 7 to March 11, 2008 for the filing of pre-trial motions on behalf of defendant Yusef Green in the above referenced matter.

The reason for requesting this extension of time, *nunc pro tunc*, is that I was on trial all last week in the matter of United States v. Tyndall, et al. 06 Cr 803 (ARR) before the Honorable Allyn Ross in the Eastern District of New York. We were expecting to have Friday off, but instead worked a full day (9:00 to 5:30 ) so I was unable either to finalize and file the motions or get to my office to send out this letter. The Court has scheduled a status conference in this matter later this week on Friday, March 14, 2008, so I do not anticipate that this two-business day extension will impact on the time the Government will request for filing its response.

Accordingly, it is respectfully requested that a two-business day extension from March 7, 2008 to March 11, 2008 be granted *nunc pro tunc* for the filing of pre-trial motions on behalf of defendant Yusef Green.

Very truly yours,

*Joyce C. London*
